

In - Person Health Fairs

Health and Benefits Fairs are an essential part of education and preventive medicine.

Are you ready to re-connect in person? With WellnessIQ fully coordinating your event, we ensure a seamless planning process. Facilitate early treatment, education your population on vendor benefits, and allow employees to connect 1-on-1 with vendor partners.

Your Health and Benefits Fair will include:

- 1-day live event
- Day-of employee registration
- Employee passport for tracking vendor visits
- Raffle giveaways provided and managed by WellnessIQ Engagement report
- Option to add wellness seminars
 - Available virtually to remote employees
- Save the date marketing piece for vendors and employees
